Wills -
A Beginners Guide

- You don't need to be wealthy to make a Will or to leave a gift
- If you have an existing Will but would like to leave a gift to The Smiles Foundation you can do so by way of an addition to that Will—which is called a Codicil.
- If you have not yet made a Will then you should use the services of a Solicitor. Although there will be a fee for their services
- There are two main ways to leave a gift to Smiles.
  Residuary Legacy : after taking care of your loved ones you can choose to leave a portion of what is left to the Smiles.
  Pecuniary Legacy: you can specify a certain amount to Smiles.
- **Inheritance Tax** is not payable on gifts to Registered Charities
- In order to include the gift in your Will the solicitor will just need to know the Name, Address and Registered Charity Number as follows:
- **The Smiles Foundation**
  153 Beeston Road, Leeds LS11 6AW
- **Registered Charity Number: 1087961**

The Smiles Foundation

The Smiles Foundation is a Christian charity with projects in the North West of Romania. The charity aims to bring the Gospel to the people of Romania through practical assistance of food & clothing, medical & social assistance and education.

The cornerstone project is the **Family Care** project, now helping over 200 families on a monthly basis with basic food needs as well as social and medical assistance. This project has brought us into contact with a number of different communities, including the Roma (Gypsy) communities of Tileagd & Salard.

The Smiles Foundation built and runs the **Tileagd Community Complex** which includes a school, sports facility, medical centre and community church. The school is now also seeing the integration of Romanian children with the Roma children. The ministry team is visiting Roma and Romanian families which is reflected in the Sunday services and the well attended prayer meetings.

The **Emergency Housing Unit** is now being used for the care of domestic abuse victims, as well as for homeless families as a temporary measure whilst housing options are researched.

The Children's Centre in Cihei cares for abandoned children as well as those who have suffered abuse, or need to come for temporary care during family difficulties.

The Gepiu project provides outreach, educational support and training in independence through the Horticultural and Farming programme.

Making Smiles

Leave A Smile

A gift in your Will to The Smiles Foundation will not only ensure the continued operation of the projects currently running but also provide for the extension of those activities to provide others in Romania with opportunities for Evangelism, Education and Training in Life Skills.

A gift in your Will to the Foundation's work in Romania will leave a **SMILE**.

- **S**upport for over 200 Families through the Family Care Project
- **M**edical assistance for the Disadvantaged Families of Bihor County
- **I**ndependence through the Horticultural Project in the village of Gepiu
- **L**ifeline for Abandoned Babies in Oradea through the Children's Centres
- **E**ducation for the children of the Tileagd Community

A Will is the only way of being sure your wishes are met after your death. Every adult should have one, irrespective of their age, to avoid potentially causing unnecessary complications for loved ones at a difficult time.

Gifts left to charities do not prevent you taking care of your loved ones and are free from inheritance tax. If you have an existing will you can change it to include The Smiles Foundation and if you have yet to write one, then it is not so difficult as you may think.

Guidance is given overleaf.
