Wills -
A Beginners Guide

- You don't need to be wealthy to make a Will or to leave a gift.
- If you have an existing Will but would like to leave a gift to The Smiles Foundation, you can do so by way of an addition to that Will.
- If you have not yet made a Will then you should use the services of an Attorney. Although there will be a fee for their services.
- There are two main ways to leave a gift to Smiles.
  Residuary Legacy: after taking care of your loved ones you can choose to leave a portion of what is left to Smiles.
  Vested Legacy: you can specify a certain amount to Smiles.
- **Inheritance Tax** is not payable on gifts to Tax Exempt Non-profits.
- In order to include the gift in your Will the Attorney will just need to know the Name, Address and Registered Tax Exempt Non-profit number as follows:
- **The Smiles Foundation**
  10625 N Tatum Blvd Suite D115, Box 471,
  Phoenix AZ 85028
- **Charitable Non-profit USA: 86-0957704**

The Smiles Foundation

The Smiles Foundation is a Christian charity with projects in the North West of Romania. The charity aims to bring the Gospel to the people of Romania through Outreach with practical assistance of food & clothing, medical & social assistance along with education.

The Smiles Foundation operates many projects throughout Bihor County and now Arad County with Dezna Outreach Centre. Established in 1997, our desire has always been to demonstrate a Gospel Message of Good News through practical ministry.

The Smiles Foundation has built and operates several significant developments for the long-term benefit of the impoverished people of Romania.

The **Tileagd Community Complex** houses Church, Nursery and Assisted Living Facilities. An After-School program is operated in **Cihei.**

Residential Facilities are operated in Tileagd, Salonta and Oradea which when added to the new Sunset House, provides care for 175 residents, serving the Elderly and Disabled.

The Outreach program provides support to local churches through Children's Work and Community events. Dezna now provides excellent Camp & Retreat facilities that will be developed extensively in the future. As we continue our long-standing work amongst the poor, homeless and disadvantaged – your support is as important today as it has ever been.

Making Smiles

Leave A Smile

A gift in your Will to The Smiles Foundation will not only ensure the continued operation of the projects currently running but also provide for the extension of those activities to provide others in Romania with opportunities for Evangelism, Education and Training in Life Skills.

A gift in your Will to the Foundation's work in Romania will leave a **SMILE**.

- **S**upport for Families, Homeless & the Poor through Field Projects
- **M**edical assistance and care for the Elderly in Bihor County
- **I**ndependence through the Horticultural Project
- **L**ifeline for Children and Families living without Hope
- **E**ducational Support for children in Tileagd and Cihei Communities

A **Will** is the only way of being sure your wishes are met after your death. Every adult should have one, irrespective of their age, to avoid causing potentially unnecessary complications for loved ones at a difficult time.

Gifts left to charities do not prevent you taking care of your loved ones and are free from inheritance tax. If you have an existing will you can change it to include **The Smiles Foundation** and if you have yet to write one, then it is not as difficult as you may think.

Guidance is given overleaf.
